Goddess Lakshmi – 3D Printable Statue

This is a **highly detailed 3D printable statue of Goddess Lakshmi (Mahalakshmi)**, traditionally depicted seated on a lotus in a serene blessing posture. The model is designed for **clean and stable 3D printing** and is suitable for home temples, pooja rooms, festival decorations, and artistic displays.

The sculpture features carefully modeled ornaments, smooth drapery folds, facial details, and a lotus base. It scales well and prints cleanly on both **FDM and resin printers**.

Model Features

- High-detail sculpted geometry
- Single-piece model (no assembly required)
- Suitable for FDM and resin printing
- Optimized for clean slicing and stable prints
- Ideal for spiritual decor, gifts, and festival use

Recommended Print Settings (FDM)

- Layer height: **0.12 - 0.2 mm** (0.1 mm for best detail)
- Nozzle: **0.4 mm** (0.2 mm for high detail)
- Supports: **Enabled (Tree supports recommended)**
- Infill: **10-15% (Gyroid or Cubic)**
- Material: **PLA / PLA+ / Silk PLA / Marble or Stone PLA**

Resin Printing Tips

- Use light grey or beige resin for best surface detail
- Hollow large prints to reduce resin usage
- Add drainage holes at the base if hollowed

Scaling

The model can be scaled easily depending on your requirement:

- Small idols for desk or shelf display
- Medium size for home altar
- Large prints for decorative or exhibition purposes
